CITIZEN’S BOND OVERSIGHT COMMITTEE FOR MEASURE B DISBANDS

Redwood City School District Applauded For Excellent Bond Management

REDWOOD CITY, CA, September 30, 2011 – On September 28, the Citizen’s Bond Oversight Committee for the 2002 Measure B voted unanimously to terminate and disband the committee because all Measure B bond proceeds have now been spent and all projects funded by the bond have been completed.

Redwood City School District Chief Business Official Raul Parungao reported that two types of audits on the bond were completed. The financial auditor, Vavrinek, Trine, Day & Co., LLP certified that all funds were reported properly and accounted for with no discrepancies. The performance auditor, Capital Program Management, Inc., certified that all expenditures were in accordance with the ballot language.

“Kudos to the district for completing all the projects on time and on budget,” said Ms. Kerry Memole, who served on the Citizen’s Bond Oversight Committee. “The District did an excellent job managing the projects.”

Committee member Lew Miller added, “We are pleased that the money was spent according to the ballot measure; the taxpayers were well served.”

Measure B, passed by voters in 2002, was used for a variety of building upgrades across the district, such as remodeled school offices, remodeled restrooms, roofing, fencing, asphalt work, and restoration of sports fields. A complete list of projects is attached.

Citizens who served on the Measure B Bond Oversight Committee include Ms. Judy Buchan, Mr. Geary Lloyd, Mr. J.P. Garcia, Mr. Dennis Patano, Mr. Lew Miller, Mr. Scott Morton, Mrs. Kerry Memole, Mr. Dwight McMillan and Mr. Chris Bohl. Trustee Dennis McBride, Superintendent Jan Christensen, Chief Business Official Raul Parungao, and Director of Facilities Don Dias attended meetings as District representatives.

The Redwood City School District operates pre-school, elementary and middle schools serving students from pre-kindergarten through grade 8. The district serves more than 9,200 K-8 students at 16 elementary schools and more than 700 pre-school students at 8 pre-school sites. For more information, please visit the Redwood City School District web page at www.rcsdk8.net.
